

TK Stone December Student of the Month

Mia Miller

Mia Miller is not only an exemplary student at TK Stone maintaining a 4.0 GPA, but she is also an athlete participating in golf for the Etown HS and Volleyball at TK Stone and EVA Volleyball Club. Mia loves volleyball for the competitiveness and also for the opportunity to play with her friends at school and to meet new friends at EVA.

Mia enjoys golf because it is relaxing and calming.

Mia enjoys attending TK Stone because of the nice teachers and all of her friends. She is looking forward to attending Etown HS next year because of all of the new and exciting classes and opportunities.

Mia's role model is her mom because she is a hard worker, but she always makes time for everyone.

Mia plans to attend the University of Kentucky and eventually become an architect because she enjoys math and science and she likes to design things.

I have had Mia all 3 years of middle school and she is a wonderful student and young lady. Mia is always willing to help out no matter what I need and always gives her best on every assignment & task. I also oversee Mia on the student council where she uses her leadership skills to lead other students in activities and tasks. Mia is kind to those around her and is always willing to work with whomever asked. Mia is a great representation for TK Stone and makes us proud everyday! - Mrs. Coogle

Mia is a very respectful, hard working young lady who is kind to adults and peers. If she continues on this path, she will be an asset to any community in which she lives.

Congratulations, Mia! -Mr. Pearman

Mia is an excellent algebra 1 student. She comes to class each day with a positive attitude and is eager to improve her math skills. Mia leads by example and is a great representative of Tk Stone and our school district. - Mr. Lutz
