

## Richie Rix

There are many reasons why I nominated Richie Rix to be student of the month. Ms. Peggy Whitmer, Richie's 2nd grade teacher had this to share about Richie. He is an exemplary student who constantly strives to do his best in all things. Richie is also a wonderful peer role model, showing great leadership and kindness to his classmates. He is a leader in my classroom, never fails to jump in and help. There are many things I admire about him, one of these things is how hard he works and his determination to learn something or correct it, on his own. These characteristics make it easy for classmates and friends to ask him questions or for help. Above all, Richie is one of the kindest kids I have worked with. Richie is a kind, respectful student. He can always be seen in the hallway being a great role model and following the Guidelines for Success. "Richie always has a smile on his face and is a joy to be around," states Mrs. Kendra Adams.

Mr. Brown had this to say ~

"Richie is an amazing student, he is the type of student that the other kids run to when they don't understand a problem. Richie is the type of friend that does not tolerate anyone making someone feel different, out of place or less than. I have personally congratulated Richie for standing up for someone who was getting picked on by another student. Richie is respectful in every way, he shows awesome responsibilities when he finishes his assignment and then quietly helps others. Richie is very cooperative with his teachers and the staff at Helmwood.

Richie Rix is a class act and always gives his best effort even when no one is watching. This young man has great character and a work ethic to match. Congratulations to Mr. Richie Rix for representing Helmwood as our December Student of the Month.
