

Extended days for Itinerant Counseling Position (10 days)

The 10 days for the itinerant counseling position would predominately be utilized for records organization prior to school and transitioning records to the middle school from the elementary school at the end of the school year. Additionally, the days would be utilized to connect with the various mental health service partners we have to ensure continuation of services as needed throughout the summer and from summer into the school year. 504 meetings and preparation would also take place in the extended days for the itinerant counselor.
