Submitted Grants:

- United Way of Southern Kentucky; requesting \$15,000 for a week-long summer camp (Jump Start Kindergarten) for pre-kindergarten children to help prepare them to be kindergarten ready upon enrollment. This will be for a 2024 summer camp. Approved to submit a full application for Jump Start Kindergarten in 2023.
- US Dept. of Education, Project Prevent Grant Program; requested \$4,000,000. No match required. The program is designed to expand the capacity of LEAs to implement community- and school-based strategies to help prevent community violence and mitigate the impacts of exposure to community violence. Five year grant. Funds will be used for a mental health professional in each school, relax and recharge spaces/rooms in each school, professional learning in Youth Mental Health First Aid and Trauma-Informed Care, etc.
- US Dept. of Education, Education Innovation and Research Program – Early-Phase Grant; requested \$4,000,000. 10% match required. Five year grant. Funds will be used for teacher professional development opportunities in STEM and deeper learning components, developing a STEM Lab and Innovation Academy at the Learning Center and micro labs at each school. EIR is a research-based grant and includes a significant evaluation process of the work undertaken by the grant.
