Do you have an extra copy of the shoe collection fundraiser for me to send over to BOE for approval? Or is it on a website I can print and attach to the approval form?

“

Great fundraiser. We were happy to have our kids do a fundraiser that did not require them to ask for money. Our fundraising coach contacted us weekly (or more) as promised and helped us be successful. Great communication.

This organization was very helpful and made our group successful. From the friendly phone calls the the driver who picked up the shoes. All around great organization to work with. - Amy O

SHOES CREATE OPPORTUNITIES

What happens to the shoes?

A shoe drive fundraiser goes beyond raising money for your cause and community. After your shoes are picked up, they're sent to developing countries to create job opportunities.

It's estimated 300 million people don't own shoes. Shoe drive fundraisers help provide inventory to over 4,000 micro-entrepreneurs who sell the shoes to support their families. In turn, they help themselves out of poverty with a hand up, not a handout.
