**Superintendent Prior Approval:** No

**Recommendation/Motion:** Approve the Schematic Design Documents for the Construction of the Softball Field House at Henry Clay High School.

**Background/Rationale:** The 2021 District Facility plan (DFP) includes construction of a Softball Field House as item 5.2.2 to meet Title IX compliance. Construction will include dressing area/lockers, showers/toilets, batting cage, coaches' office and equipment storage. Advertisement for bids is planned for March 2023. Due to the year-round use of these fields for events and team practices there is a very small window of opportunity to complete the work. To avoid conflicts the current schedule is to bid in spring 2023 and be finished by February 2024. The schedule will allow time to obtain the appropriate approvals and start shop drawings.

A BG-1 Project Application for the construction, identifying the extent and cost of the work, was approved by the Board at its September 26, 2022 meeting and has been filed with the Kentucky Department of Education. At this time, the Board is required by 702 KAR 4:160 to indicate acceptance of the schematic design documents represented in the plans prepared by the design consultants Integrity Architects. Based on the review of these documents by FCPS staff, the Office of Facility Design & Construction recommends approval of these plans. Upon the Board's approval, these documents will be submitted to the KDE District Facilities Branch.
