Failure of the Contractor to submit a Corrective Action Plan within ten (10) business days following the date of the written deficiency notice may result up to \$1,000.00 per day penalty for each day until the Corrective Action Plan is received.

D. Request for Extension

Upon request, CHFS may extend the time allowed for both a response to the Letter of Concern and a Corrective Action Plan depending upon the nature of the deficiency. The Contractor shall request an extension of time in writing from the representative designated in the Letter of Concern or the written deficiency notice. The written request shall contain a justification and proposed extension period. If an extension is granted, the penalty per day for both a late Letter of Concern or a late Corrective Action Plan would begin after the expiration of the extension period.

The Contractor shall submit the federally approved indirect cost rate document to the Contract Specialist identified on page 1 of the Contract. A federally approved negotiated rate may exist in cases where the Contractor conducts business directly with the federal government other than as related to this Agreement. 2. If no federally approved negotiated rate exists, the Contractor may request to utilize an indirect cost rate or cost allocation plan developed in accordance with 2 CFR, Part 200, Subpart E, by submitting a request and detailed indirect cost plan description to the Contract Specialist identified on page 1 of the Contract. Plan or rate approval must be evidenced by formal written acknowledgement by the Contractor as acceptable for purposes of billing, to be applied to federal programs except where limited by federal

- Are not paid by the federal government under another federal award, except where the federal statute authorizing a program specifically provides that federal funds made available for such program can be applied to matching or cost sharing requirements of other federal programs and written authorization has been received from the other federal program; and
- Conform to other provisions of 2 CFR, Part 200, and the federal funding agency implementing regulation for 2 CFR, Part 200, as applicable.
