

THIS IS A DECISION PAPER

TO: HARDIN COUNTY BOARD OF EDUCATION MEMBERS

FROM: Richard Hughes

DATE: January 19, 2006

SUBJECT: APPROVAL to advertise for architectural services for construction of school facilities.

ISSUE

The Hardin County Board of Education must secure architectural services for construction of facilities.

FACTS

The Department of Education requires the services of an architect for all school construction. With current needs as well as the expected growth, Hardin County immediate facility needs are: (1) New Elementary School on Ring Road property (2) New Middle School in Radcliff area (3) Renovate NHHS (4) Renovate RMS building and convert to an Elementary School (5) Add a freshman wing onto JHHS. The Hardin County Board needs to hire an architect as soon as possible to begin design work. Plans to hire an architect must be advertised. Resumes will be received and reviewed prior to the February Board meeting so that action to hire may be taken at that meeting. The Board may also decide to schedule interviews with select architects in March.

RECOMMENDATION

Approve advertising for architectural services for school construction.

RECOMMENDED MOTION

I move that the Hardin County Board of Education approve placing an advertisement for architectural services for school construction.
