

Garrard County Schools & Farmers National Bank
Students of the Month
January 2023

CDR – Nathon Ellis – 1st Grade

Nathon is a 1st grade student at CDR. He goes above and beyond every day, all day long. Nathon is helpful, sweet, thoughtful and kind. The CDR staff brags on him in the lunchroom and in the classroom. Nathon is constantly helping others in whatever way he can. He is the first one to jump up and offer assistance to someone who needs it. He follows classroom rules and always strives to do his very best work. CDR is proud to recognize Nathon Ellis as the student of the month.

LES – Henry Vanoy – 4th Grade

Henry's teachers describe him as passionate about learning! He is an outstanding role model by consistently following all of Lancaster Elementary's expectations of being a Learner, Listener, Respectful, Responsible and Safe. Henry does not just model these expectations, but he has the strength of character and leadership to remind his fellow classmates when they start to stray. Henry is a pleasure to have in class, but it goes beyond that, he is an asset to the 4th grade and to our entire school.

PLE – Reanna Perkins – 4th Grade

Reanna brings such sunshine to her teachers and classmates every single day. Her positive attitude is uplifting, and her smile is contagious. She always gives her best effort, and follows all of the rules and procedures. She is a great friend and is kind to everyone. We are so glad that Reanna is a part of our PLE family!

GMS – Kinley Fyfe – 6th Grade

Kinley always does what she needs to do to be successful. Kinley is always ready to answer questions. She participates every day in class by working diligently on her assignments. Kinley always comes to class with a positive attitude and eager to learn. Kinley is an excellent student, and we look forward to her continued success this year.

GCHS – Ian Alcorn – Senior

Ian is a great example of what a Golden Lion is. His attitude is always positive. Every day he has a smile on his face. He has focused on the Nursing

pathway and wants to continue his education at BCTC. Ian has set the bar high by being a great leader for our underclassmen. He promotes positivity and students always have a good time around Ian. He also represents GCHS on the athletic field. GCHS is proud of Ian's dedication, determination, and motivation that he exhibits for all to see.
