Brief statement about the student:

Panther Place's January 2023 Student of the month is Laklynn Harris. This is Laklynn's first year to be enrolled in the Panther Place program. Laklynn comes to us from Ms. Thompson's second grade class at Helmwood Heights Elementary. She was nominated by her Panther Place teacher, Ms. Deloney, who said that she loves working with Laklynn every day. She is always happy and in a good mood. She is very polite, soft spoken, well mannered and respectful to staff as well as her fellow classmates.

The second grade class high school assistant said that Laklynn is a fantastic student. She's really caring and always on task.

Her classmates had these words to say: "She very nice." "She's helpful when anyone needs help." "I'm thankful that she's a nice friend", "She's very funny and makes me laugh.", "She's pretty" and one of my favorite quotes is: "When someone is lonely at school, she talks to them." I think her classmates truly see the heart of Laklynn. She is a wonderful example of how we should treat one another.

Laklynn said that she likes the fun things her class does at Panther Place. Her favorite subject in school is math. She shared that she likes basketball and hopes to play on a team someday.

Panther Place is proud to name Laklynn its student of the month for January 2023.
