

Powell Co High School YSC

January 17, 2023

Donation Details

- The Powell County High School Youth Service Center provides an After Prom Party for students who attend Prom. The party serves to offer the students a fun, safe, drug and alcohol free place to continue their night of festivities.
- Post program surveys have reported that 99% of students stated, the After Prom Party kept them and/or their friends from attending a party where drugs or alcohol would be present, proving that this program is a much needed annual event.
- Last years After Prom Party took place at Malibu Jacks in Lexington, and was a huge success. Working with the County Judge Executive's office, the Powell County ABC (Alcohol Beverage Control) has donated \$5000 toward the event, which will pay for students to attend Malibu Jacks free of charge.

Motion to approve the Powell Co Beverage Control donation of \$5,000 for Powell Co High School's FRYSC program to use for After Prom party.
