KCWP 1: Design & Deploy Standards

- Follow the Model Curriculum Framework process for Math and Reading/Writing to improve curriculum K-12 and select high-quality instructional resources with the K-12 leadership teams.
- Hire a curriculum specialist to support the K-12 team with processes and to ensure new staff training.
- Science training connected to KY academic standard revision.
- Social Studies training connected to KY academic standard revision.

KCWP2 Design & Deliver Instruction

- Partnership with PEBC in establishing "how" classroom instruction should look with the workshop model.

KCWP 4: Review, Analyze, and Apply Data Results

- Provide alternative learning environments to support alternative pathways to graduation based on student data. (Powell County Academy, Connect Academy, Dean of Students at PCHS, Drop-out prevention staff member)

KCWP 5: Design, Align and Deliver Support

- Improve the MTSS handbook and plan for Tier I, II, and III support to ensure students are receiving evidence-based interventions.
- Reading and Math interventionist K-5, Reading interventionist 6-8, and Math/additional credit recovery teacher 9-12
- Daytime ESS services are provided at all schools.
- EL and Migrant assistant to support English Language Learners.
- Establish an Early Warning Tool committee to support at-risk student interventions.
- Hire an itinerant counselor position with CCE and PCMS to support the SEL needs of students.

KCWP 6: Establishing Learning Culture and Environment

- Develop work based learning manual with a focus on internships and co-op opportunities.
- Review/add/remove career and technical education pathways based on needs assessment.
- Increase collaboration with Estill ATC and MCTC.

MISSION

The mission of the Powell County School System is the commitment to preparing and inspiring all students to be lifelong learners who are self-sufficient, responsible, and productive members of our community.
