4: English Learner Progress

Goal 4 (State your English learner goal.): EL students will move from 25.7% of students EL proficient to 32.3% of EL students EL proficient by May, 2026.					
Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
Objective 1 EL students will move from 25.7% of students EL proficient to 20.4% of EL students EL proficient by May, 2023.	KCWP 1: Design and Deploy Standards KCWP 2: Design and Deliver Instruction	Students will receive differentiated instruction based on level of need. Develop a strategic plan to address the needs of secondary students who are newcomers to the English language and/or reading in Spanish or English.	Students will more quickly attain the English language, leading to greater understanding and success in the general classroom. EL students demonstrate readiness to participate in regular English speaking coursework. EL students demonstrate post-secondary readiness in accordance to the Profile of a Graduate competencies in order to be more successful in life.	Number of students exiting the EL program. EL students demonstrate higher achievement in academic subjects, as well as proficiency in the Profile of a Graduate competencies.	General
	KWCP 4: Review, Analyze and Apply Data	The District will provide EL teachers based on a proportional number of EL students in order to keep caseloads equitable.	EL teachers are able to thoroughly meet the needs of the students on their rosters.	Yearly audit of caseloads	General
	KCWP 2: Design and Deliver Instruction	EL Teachers will attend all district-level instructional training and professional learning	EL students will receive the same level of instructional access as students who are not EL.	EL students will be exposed to all content and curriculum as evidenced by classroom participation.	General

CHRISTIAN COUNTY PUBLIC SCHOOLS

5: Quality of School Climate and Safety

Goal 5 (State your climate and safety goal.): Elementary: Will move from 77.9 Climate and 72 Safety to 85 Climate and Safety by May, 2026. Middle: Will move from 66.1 Climate and 57.1 Safety to 75 Climate and Safety by May, 2026. High: Will move from 58.7 Climate and 52.4 Safety to 68 Climate and Safety by May, 2026.					
Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
Objective 1 Elementary will move to 80 Climate and Safety by May, 2023. Middle will move to 70 Climate and Safety by May, 2023. High will move to 60 Climate and Safety by May, 2023.	KCWP 6: Establishing Learning Culture and Environment	CCPS will implement more social, emotional, and behavioral support systems to create a climate that supports and responds to student behavior School counselors and School Based therapist will train staff during PLC's and/or faculty meetings on trauma informed practices along with Youth Mental Health First Aid and Bullying	Decrease in discipline and awareness of staff supporting students with mental health needs	Monthly data reports on infractions	Title IV - Safety
	KCWP 6: Establishing Learning Culture and Environment	CCPS will continue to build their PBIS program in each school School Counselors and PBIS Coaches will focus on their student needs and build the sustainability of their program to assist with all student needs.	PBIS Walk-through scores increase and Tier II intervention success is 85% or above	Monthly data reports on PBIS interventions	Title IV - Safety
	KCWP 6: Establishing Learning Culture and Environment	CCPS will address perceptions of the physical environment, conditions of safety and security in and around the building Risk-Assessments will continue to be completed annually	Schools will score a 90 or above	Each risk assessment is sent to the Asst. Superintendent of Operations for review	Safe Schools

CHRISTIAN COUNTY PUBLIC SCHOOLS

6: Postsecondary Readiness

Goal 6 (State your postsecondary goal.): Industry Certifications “Completer” Status will increase from 43% in the 2020-21 school year to 90% in the 2024-25 school year.					
Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
Objective 1 District and School Transition Coaches establish strong advising programs to support students in cooperative learning and work-based internships through the FUSION program by May, 2023.	KWCP 6: Establishing Learning Culture and Environment	District and School Transition Coordinators appropriately place all students in career preparation pathways. High School: Day After Graduation plan established through transition coaching Integrate real-life CTE opportunities K-12 through the Fusion work-based learning program. Implement an individualized junior/senior planning process to ensure all students graduate with a “Day after Graduation” plan.	100% of students will participate in their appropriate career preparation pathway during the 2022-23 school year.	Monitor through monthly intervention meetings with District Transition Coordinators. Monitor work-based learning student experiences through site visits and documentation. Monitor ACT, industry certification, and EOPA achievement to ensure all students are college or career ready.	General Title IV Well Rounded
Objective 2 Introduce Profile of a Graduate competencies that require students to demonstrate key skills to be life ready.	KWCP 6: Establishing Learning Culture and Environment	Determine success criteria for proficiency in Profile of a Graduate competencies, as well as portfolio requirements and a defense process for high school students. Create personalized pathways that merge with the ILP for all middle and high school students that incorporate evidence of competencies and Profile experiences.	Students and teachers articulate Profile of a Graduate competency language in instruction and learning experiences.	Profile roll-out to school leadership teams will occur through the Instructional Leadership Team with the intent of introducing language to students by the end of SY22-23.	None

CHRISTIAN COUNTY PUBLIC SCHOOLS

7: Graduation Rate

Goal 7 (State your graduation rate goal.): The graduation rate will increase from 90.8% to 91.6% by May, 2026.					
Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
Objective 1 Transition Coordinators and Counselors will support student credit acquisition aligned to interests and ability by May, 2023.	KWCP 4: Review, Analyze and Apply Data KWCP 6: Establishing Learning Culture and Environment	Each student will receive career counseling based on their ILP. Create individual graduation plans for each student.	All students participate in advising sessions for their future plans.	ILP completion Career paths explored. Person Responsible: Transition Coordinator Guidance Counselors By May, 2022	General
		Credit Recovery Programs will be provided for any student not attaining their grade level credit load.	Credits recovered and students were no longer behind.	Successful completion of credits Person Responsible: Transition Coordinator Guidance Counselors By May, 2022	General
		Alternative Program enrollment – placement in the alternative program, as well as reinstatement into the A1 school will occur with a transition meeting between the Alternative program’s counselor and the A1 school counselor for that student and the student. Decisions regarding placement, credits, etc. will be made at that time.	Appropriate placement in Alt. Programs, as well as correct placement in the A1 school upon return.	Admission and graduation tracking Person Responsible: Transition Coordinator Guidance Counselors Will occur on an as-needed basis as students transition back and forth between schools.	General Title I Part D Title IV, Safe and Healthy
Objective 2 See Goal 5 Objective 1					

Special Considerations for Districts with Targeted Support and Improvement (TSI) including Additional Targeted Support and Improvement (ATSI) Schools

Districts with a school identified for TSI (including ATSI) must monitor and provide support to the school to ensure the successful implementation of the school improvement plan (703 KAR 5:280(10)). The local board of education must review and approve the revised school improvement plan for TSI (including ATSI) schools (KRS 160.346(4)(a)).

Monitoring and Support
<p>Consider: Describe the district’s plan for monitoring and supporting the school improvement plan of any school identified for TSI/ATSI. Include in your response information regarding the process for local board review and approval.</p> <p>Response:</p> <p>This plan will be reviewed and approved by the Christian County Board of Education during their January 19, 2023 meeting.</p> <ol style="list-style-type: none">Schedule and hold documented meetings twice a month with Consultants, Principals, and Special Education Team Leaders (if available) for special education updates. Each school will develop a plan specific to their needs and concerns. Consultants will monitor both compliance and instruction. There will be a District Google Folder link for all administrators and special education building leaders to access their plan(s). Confidentiality will be protected. Each school will only have access to their school’s folder.Accommodation plans will be in place by January for each school. <i>Steps below.</i><ol style="list-style-type: none">Inclusion training for all teachers and staff accommodating studentsAssign and Practice consistently with “Testing Buddies”Special Education Teachers will educate students on how to use their accommodations on a daily basis.Special Education Teachers, with the support of the consultants, will educate all staff on how to properly accommodate students.Co-teaching versus resource will be a priority to expose students to general ed. content and language.<ol style="list-style-type: none">Each school will develop a co-teaching plan. <i>Steps below.</i>Analyze current IEP schedules versus the master schedule. Are more students in a resource or co-teaching setting?Overall, more students should be in co-teaching than in resource classes.Eligibility should not determine the Least Restrictive Environment for any student.District will develop professional development on co-teaching and effective practices. (Spring-Summer)Primary (K-2) students should go to a regular education classroom for exposure to the curriculum unless it's an extreme case. (ARCs will need to be held for each individual student to adjust if needed.)Special education teachers will use the Data Tracker CCPS Sped Testing Data Tracker to monitor progress based on state and classroom assessments. Identify all students K-12 and develop a plan for students to move them with intentional strategies based on the MAP Student Profile Report & Learning Continuum. Training will be held on Growth Day to assist teachers.Special education teachers will use MAP to identify skills to develop intentional instruction and goals and objectives for the IEP. Training will be provided on Growth Day.Teachers will MAP test any new student that moves into their school for instructional purposes. (Identify, needs, next steps, etc.)Intentionally conference with students on achieving progress on MAP and KSA by setting goals using a goal setting sheet.Special education teachers should participate in at least <i>one</i> grade level PLC.
