

Counselor's Corner

January 2023

Ms. Jennifer Weber

- **Kentucky Summative Assessment Recognition:** At the student awards assembly this Friday (January 13), we will recognize the students in grades 4-8 who scored *proficient* or *distinguished* on every subject area of the Kentucky Summative Assessment last spring. There are ten Southgate students who will receive this honor. These students will be invited to attend a movie free of charge at Newport on the Levee next month. We are excited to reward these awesome student achievers!
- **Girls on the Run/Heart and Sole:** The 2023 Girls on the Run spring season begins on February 20th. Ms. Weber will serve as the head coach of the team along with co-coach Ms. Arnold and assistants, Mrs. Hansman and Ms. Carrie. The Southgate team will include any interested girls in grades 6-7. Ms. Weber has registered our team and will distribute recruitment materials to the girls this week. More details to follow...
- **Attendance Home Visits:** Ms. Weber has collaborated with the attendance team including Mrs. Hansman and Mrs. Ericka Huff to identify students who are struggling with tardies/attendance. Mrs. Huff and Ms. Weber will make home visits this week to address concerns with the families in person and to offer assistance as needed to improve school attendance.
