Positive Developments and Highlights	Staff submits to the Board that Winchester Country Club be named Site #3 for 2023. Previously the Board had named Calvert City Country Club as Site #1 and Kenton County Golf Courses (Willow Course) as Site #2. A course for Site #3 was previously TBD.
Issues of Concern (legal, playing Rules, fiscal management, etc.)	Following feedback from the Board and coaches, Assistant Commissioner Joe Angolia and I reached out to the two sites that had been previously selected as well as Winchester Country to share issues with regard to Course availability as well as fees charged for practice at the State First Round Sites. Details are provided.
