Background/Rationale: Each year the District is required to produce an annual Nutrition and Physical Activity report. KRS 158.856 requires an annual assessment and evaluation of school nutrition in the District and for the Board to hold a Special Board meeting and public forum to discuss nutrition and physical activity in schools. Those findings and recommendations will then be submitted to the FCPS Board of Education. The draft wellness report was presented for information on November 13, 2022 and was posted on the District web site for public inspection and comment until December 31, 2022. Once feedback was obtained, comments were used to refine the report. There is a required public hearing that must take place at a special board meeting, or at the next regular board meeting scheduled. Staff recommended that the hearing take place Monday, January 23, at 5:30 p.m. EST, prior to the Board Meeting.
