Commissioner,

If possible it would be best for South Oldham to be in a Louisville District. All of the teams except Collins are an hour away from us. We do not dismiss until 4pm. We cannot get transportation until 5-5:15. This has already caused us great challenges in all sports due to having to start games so late. It would make it almost impossible to travel to play lower level matches during the week as we couldn't start them until at least 7pm.

Again, with our current dismissal and bus situation moving us into a Louisville district would be best for our kids, particularly the lower level.

Regards,

Joe Richie

Subject: Draft Alignment of Football Districts for 2023

This is being sent to the Principal, Athletic Director and District Athletic Directors.

Based on the report issued to the membership on Friday regarding schools requesting to play up to a higher class and the subsequent downplay decisions within the Board policy (only into those classes for which teams played into a higher class), the draft of districts has been developed.

The listed draft of teams will be considered at the January 18, 2023, Board of Control meeting in Lexington. The meeting is open to the public and is scheduled to begin at 8:00 a.m. (work session) and 11:30 a.m. (Full Board of Control meeting).

The draft alignment is listed on the KHSAA website at <https://khsaa.org/2023-draft-football-alignment-for-final-consideration/>

Today's Challenge - Be a Leader!

"Ultimately, a genuine leader is not a searcher for consensus but a molder of consensus. And on some positions cowardice asks the question is it safe? Expediency asks the question is it politics? Vanity asks the question is it popular? The conscience asks the question is it right? And there comes a time when one must take a position that is neither safe nor politics nor popular but he must do it because conscience tells him it is right." —Dr. Martin Luther King
