Sport Spring Tennis

Positive Developments and Highlights I have conducted several meetings over the last few weeks to educate and better prepare myself as supervision of tennis transitions from Mr. Cope to myself. In addition to a planning meeting with Mr. Cope, I visited Top Seed Tennis Club on Jan. 10 to meet with their management team, and hosted a zoom call with Universal Tennis to recap last year and discuss developments for the upcoming season.

Championship Update/Review The 2023 KHSAA State Tennis Championships are scheduled for May 30-June 1. Competition on the first day will take place at Top Seed Tennis Club and the University of Kentucky, with Top Seed Tennis Club hosting all rounds on May 31 and June 1.
