Update/Review**

Dance Championships were conducted on December 11 at George Rogers Clark High School in Winchester. Attendance continues to increase and overall, the event went well. Thanks to all of our workers and judges for their help at the state event!

**Noteworthy Changes /
Anticipates Changes**

Hip Hop continues to grow in popularity and I anticipate possibly being able to split that into size divisions in the future (if we get over 50 squads). For 2023, we had 45 squads in the hip hop division.
