Mr. Tackett,

According to the proposed district alignment for football, Rockcastle County in Class 3A district 4, which consists of Casey County, Garrard County, Marion County, and Mercer County. **We are asking to be moved to district 7 with Clay Co, Knox Co, Bell Co and McCreary Central.**

Following are the reasons we are requesting the move. (1) We have football history with Bell, Knox and Clay. (2). Rockcastle County Middle School Football is currently in a conference with Bell, Knox and Clay. (3).We feel the travel will be easier/faster using I75 for transportation.

I thank you in advance for considering our request to move into Class 3A District 7.
