PROFESSIONAL LEARNING

- The March professional learning day is a Flex Professional Learning Day for DHS and LES teachers. Teachers that have not completed their 24 professional hours will come in on that day.
- Five ELA teachers at the HS went through training on The Science of Reading with The Reading League on Thursday, January 19 and Friday, January 20.

ASSESSMENT

- We are in the midst of scheduling STAR reading and math growth meetings with teachers. We will review the most recent STAR data from December as well as look at growth reports from each STAR assessment that has been taken.
- EL students (English Language Learners) are taking the ACCESS assessment this week and next week. This assessment tests these students ability to understand the English language. The goal is for students to exit the EL program that we offer here through the Co-op.
- Juniors are taking the statewide administration of the ACT on Tuesday, March 8.
- We will be administering the District ACT on March 8th.

CURRICULUM/INSTRUCTION

- We are conducting the second round of instructional walkthroughs at LES and DHS.
- We will also be conducting instructional rounds at LES starting in February.
