

**BMS/BHS Monthly Board Report**  
**December 2023**  
**Tiffany Hicks**

**THANK YOU, BOE MEMBERS!**

- As always, thank you for your continued support in all of our endeavors!
- Happy New Year! :)

**INSTRUCTION / MTSS / PROFESSIONAL DEVELOPMENT**

- It's been a productive transition into 2nd semester! We are continuing our work on essential standards in our Wednesday PLCs.
- We are partnering with Scholastic for the KyCL grant and we had our leadership walks with our representative to calibrate our observations and determine next steps. We plan to focus on teacher clarity and student learning targets (and how these targets are created).
- Please welcome Ryan Hallman, our new 7th and 8th grade Science Teacher! We interviewed and hired him over holiday break and he's been fantastic thus far. I look forward to his continued growth at BMHS!
- Rehearsals are underway for Suessical, Jr! And our winter sports / activities are moving right along. I can't believe it, but we're already starting to plan for graduation, commencement, and summer school! The year seems to be flying by.

**UPCOMING DATES OF IMPORTANCE**
