Superintendent Prior Approval: Yes

Recommendation/Motion: A motion is in order to approve the purchase of the Universal Enrollment Platform (UEP) Enroll Your Own (EYO) Enrollment Workstation for the required state and national background check processing.

Background/Rationale: By providing background check services on site, it will provide a better customer experience for new team members as well as reduce the time in the pre-boarding process. This aligns with the strategic plan strategy to implement a high quality onboarding process for those new to Team FCPS. This will also allow the expediting of the required fingerprint background checks for new SBDM members as well as contractors providing direct services to students.

Strategic Priority:

- ☐ Student Achievement ☐ Diversity, Equity, Inclusion & Belonging
- ☒ Highly Effective & Culturally Responsive Workforce
- ☐ Stakeholder Engagement & Outreach ☐ Organizational Health & Efficiency

Data Considerations: Increase efficiency in the pre-boarding process for new FCPS team members, new SBDM members, and contractors by reducing the time required to complete the statutorily required Kentucky State Police and FBI Fingerprint background checks.
