 - 1. *Stephanie Wilmot- Parent Involvement and Safety - has a 6th grader student at GMS, 3rd grade student at PLE. Moving forward there are things that she would like to see brought back, a promotion type of event that is more like previous years, would like to see award ceremonies in person, grandparents day- these are the events for family engagement. Attending classroom parties- did not know we had to have the background check to attend, missing communication around volunteer opportunities and what that entails*
 - 2. *Breanna Smith- Family Engagement- wants to see communication improving on having items out there and available with expectations at the beginning of the year. Thought to discuss when revising the policy: how are you going to make sure parent involvement is included in the policy? Around the survey, will you share the results- finding a way to make sure parents are represented in there, we feel like we are missing out. Would like to know and understand where the decisions are coming from.*
