Brief statement about the student:

Ayden Wilson is Panther Place's February's student of the month. This is his first year to be enrolled in the Panther Place program. He is in the fourth grade at Helmwood Heights Elementary School. Ms Jennifer, Ayden's Panther Place teacher said that Ayden is enthusiastic in whatever activity they do individually or in a group. She said that he has shown dedication to complete each task without a complaint. Students are often times placed with a partner or in a group to work on projects. Ayden has displayed a lot of patience with his fellow group members and partners. We have observed him looking out for others that need help and encouraging. He has proven to be an example of how we desire every student to participate and treat each other.

His classmates all agreed that Ayden is kind, helpful, responsible, a good friend and always on his best behavior. Ayden is quiet spoken and respectful to all.

Ayden takes academics seriously, achieving honor roll grades for the first two grading periods this school year. Reading and science are his two favorite subjects in school. He enjoys coming to Panther Place where he has met new friends and learned new things. When not in school, he enjoys playing video games and spending time with his friends and family.

Panther Place is proud to name Ayden its student of the month for February, 2023.
