February 15, 2023

I would like to request an overnight trip for myself and 9 students to travel to Louisville, KY March 22-24 for FCCLA State Convention. The students will be competing in state STAR events and will also be attending breakout sessions covering various leadership topics. We will be staying at the Galt House. We are requesting transportation on a district bus, and the appropriate forms have been submitted for that request. All expenses will be paid through Career and Technical Education.

Thank you,

***Cretia Mainous***
