

BMS/BHS Monthly Board Report
February 2023
Tiffany Hicks

THANK YOU, BOE MEMBERS!

- As always, thank you for your continued support in all of our endeavors!
- Thank you, Ms. Joseph, for visiting on February 13! I hope you enjoyed your time with us.

INSTRUCTION / MTSS / PROFESSIONAL DEVELOPMENT

- I am excited to announce that we've filled our last allocation! Theresa Whelan will be joining us in March as a math teacher. She's currently living in Korea and teaching English as a Second Language.
- We've had 48 credits recovered since the beginning of the school year! Thank you to Mr. Bezold and Ms. Brun for the continued work with our students.
- Mr. Skaggs and I are attending a MTSS workshop on February 16 @ NKCES. This will be centered around a comprehensive screening and assessment system and evidence based practices in school-wide academics and school mental health. We are excited to learn more and add to our toolboxes as we continue to develop our MTSS at BMHS.
- We will be administering the YouScience Career and Interest Inventory to all students over three days in February, March, April. This information will help us to create individualized learning plans and meet student needs / goals.
