February 10, 2023

Dear Members of the Board,

For the upcoming E-Rate funding year 2023, I have submitted a Category 2 mini-bid pursuant to USAC and the Federal E-Rate program requirements. This mini-bid allows Henderson County Schools to approve a vendor for the purchase of hardware and services for E-Rate eligible Category 2 network electronics from an existing KDE E-Rate bid. We received mini-bids from three vendors. I respectfully request that the Board approves Extreme Networks as the approved vendor for purchasing Category 2 network electronics in FY 2023 from the KDE bid.

Category 2 E-Rate eligible services are reimbursed at an 85% discount for Henderson County Schools pursuant to USAC and the Federal E-Rate program.

Respectfully submitted,

A handwritten signature in dark ink that reads 'Kris Gordon'.
