

Change in Resident Status**ENROLLMENT**

A student residing within the District attendance area and who has been enrolled in the area at the beginning of or during the school year and whose residence changes to an area outside of the District attendance area during the school year may remain enrolled for the balance of the semester in which the change in residence occurred ~~without being tested~~, provided that there is timely payment of tuition. (Tuition payment will be prorated according to the number of days remaining in the semester.)

Continued enrollment beyond the semester in which the change in residence occurred will, in addition to the amount of space available and timely payment of tuition, be contingent upon the student ~~attaining a satisfactory score on the test administered~~ **completing the tuition application process applied** to all nonresident students seeking to attend the District schools on a tuition basis and upon past academic and behavioral performance while attending the District schools.

EXCEPTION

The exception to the foregoing will be for the students in their senior year at the time the change in residence occurred. In such cases, the senior student may remain enrolled for the balance of the school year ~~without being tested~~, provided that there is timely payment of tuition.
