**January 24, 2023**

**Dear Community Partner,**

For many of us, our high school prom was a night full of friends and fun that we will remember forever. With your help, we can continue to make Prom Night one of the most memorable nights of our students' lives. We at Newport High School are planning an all-night extravaganza following the prom, which will be held at Newport High School Stan Arnzen Sports Complex on **Saturday, April 29<sup>th</sup> from 11:15 p.m. till Sunday, April 30<sup>th</sup> at 3:30 a.m.** The cost is only \$10.00 per person, the students will receive a t-shirt; they can enjoy food, games, contests with prizes and music by a popular DJ. The After Prom event is open to all Newport High School juniors, seniors and their guest.

To ensure the safest and most exciting After Prom possible, we need your help. We are asking for your assistance with funding and supporting this event. Any form of monetary donation, prizes, gifts, food items, gift certificates or gift cards would be greatly appreciated. We truly appreciated your help and hope we can count on your support this year. We could not give our students one of the best nights of their lives without your help!

Dear Chairpersons and Parent Volunteers,

The City of Newport Police Department lends our support to your After Prom Program and the environment it provides to the youth of our high school, as a safe and fun alternative to other post-prom activities.

Speaking on behalf of the Newport Police Department, we understand the role alcohol, drugs, and unsupervised gatherings can play in criminal activity. If an enjoyable alternative can be provided, the students may very well be able to avoid trouble and danger on this special occasion.

Money and services donated by our city businesses will increase the number of youth served, as well as enhance the overall benefits of attending this event. We strongly endorse this worthwhile program, and encourage our local businesses to contribute to their community in this manner.

We appreciate the efforts and all the help that concerned parents and teachers have put into this program, and wish you much success in your fundraising drive.

Sincerely,
