**Championship
Update/Review**

The attendance problems continue for swimming. This past weekend, even with only 16 competitors for the boys final, there were people who couldn't get into the facility until less than an hour remained.

The Board has already approved the dividing of the swim meet into qualifying meets for 2023-24, and staff will be ready to present a plan in May.

However, it should also be noted that the SEC has set the conference swim meet for February 20-24 in 2024, a week later than the normal dates on the high school corresponding calendar. Any usage of UK will need to be that weekend, which overlaps with our current scheduled date for wrestling. Staff will review issues.
