Security	No
Minor Project	Yes

Minor Project Description

This project is for selected exterior walls to have interior furring placed with new insulation, vapor barrier, and new drywall at Bellevue High School. This work is isolated at approximately a dozen locations where the existing plaster is chipping. This work includes painting and any adjustments needed to the existing electric or devices on the exterior walls at these locations. There is no ceiling or flooring work included in this project other than some minimal transition work.

New Relocatable Classroom	No
Equipment / Furnishings Procurement	No
