Update/Review**

Staff is working with member schools on district/region host sites. We continue to work with the University of Kentucky on plans for the First and Second Rounds to take place the first weekend of June and the Semifinals and Finals on the second weekend of June. This does meet the boards requests to try to find a way to only have four teams have to make two trips to Lexington. UK will work with staff on a schedule to coordinate with logistics of the State Baseball and will send to the membership once available.
