RE: Financial Aid Report

At your direction, I have completed the annual financial aid reports from the member schools for the 2021-2022 academic year. As of February 17th, we have 27 of our member schools who have not submitted the survey. These schools were notified again via email.

At this time, we do have a detailed review of the submitted reports and I am currently doing a thorough review of the data. I will have a full report for you at the May meeting.

Schools who did not have a survey submitted by the deadline:
