the birth to 5 families and children by hosting a Tiny Academy this month. Thankful to help transition in families to pre-K and prepare for K readiness.

A, C- I visited the following schools: MVE, PES, AES, SFE. Some of the best parts of the days seeing all the important and rewarding work going on by our schools.

C, E- I attended our FCS District Spelling Bee held at FCH.

C, E,F, 3B- I attended a FCECA Handbook committee meeting and asked a student and parent to be a member.

boys' basketball game.

B,C,G-I attended the regional middle school academic meet at DACE. AMs will advance to state in QR, MVE and AES will advance in FPS.

F-I tweeted and shared with each of you the wrestling advancements and placements for BJ at FCH and Weather at PHS.

D- I visited two of our students on a Sun. this month at UK Hospital. DACE student 4th grade and BLES student 8th grade. Families need to know we are here for them to support in any way we can.

C & G-DACE Principal "Doing Whatever it

training for teachers and administrators has been at our media center this month.

E,F- ECA School Counselor scheduled a needed KEES and FASFA presentation for schools in which I attended.

Takes” rode a bus as a monitor because the monitor was absent. 5 Star!

C & G-AES Beta students visited Prestonsburg Health Care. Admin are encouraging involvement in community matters.

C,F,G- Yellow for Lilly started by BLES and shared communitywide gained local and statewide coverage by media. Thankful for those who could show support and bring sunshine to our Lilliana.

F & G- Our district office staff wore red for “Wear Red Day” in support of Heart Health and to join our health care partners

within the community and state.

B,C,F,G-I attended along with Steve and Jr. the middle boys' basketball championship games (MVE, AMS & BLES) and assisted in trophy presentations for dance (AES & BLES), Cheer (JMS, AMS, BLES.)

I attended the funeral of our student Daniel at BLES. The remaining 3 children will need a lot of supports that we can provide and resources we can connect them with.
