Greetings, oh mighty and benevolent benefactors!

G'day, my name is Ridge Hudnall and I am the captain of the Senior Class Ship at Ohio County High School. As the end of the school year approaches faster than a speeding cannonball, we seniors are preparing to set sail on our final voyage together - Senior Sunset (formerly called Project Graduation).

But before we can set sail, we need to stock up on some goodies for our journey. That's where you come in! We're looking for generous donations to help us award as many of our outstanding seniors as possible with tokens of our appreciation for their hard work and success during their high school careers. Think of it as a treasure chest filled with gold doubloons, but instead of gold, it's filled with love and gratitude.

Without your support, Senior Sunset for the class of 2023 would be like a ship without a rudder - directionless and lost at sea. Your contributions to our school and community have helped shape us into the strong, young adults we are today. And for that, we thank you from the bottom of our hearts.

If you're interested in supporting our senior class by donating to Senior Sunset, you can send your contributions in care of our bookkeeper, Crystal Evans, at the address above. Please make checks payable to OCHS Senior Sunset. And if you have any questions or concerns, you can reach out to our Senior Sunset chairperson, Kathy Gledhill, at (270) 274-3366 ext. 101 or [kathy.gledhill@ohio.kyschools.us](mailto:kathy.gledhill@ohio.kyschools.us). We'll be sure to give you a shout-out on our voyage and raise a glass of pirate's grog in your honor!

We would like to express our gratitude for your generosity and support. With your help, we'll make Senior Sunset a journey to remember. Thank you, and may the winds of fortune always be in your favor!

Many thanks,

Ridge Hudnall,  
Senior Class President

  
Alex Embry,  
Principal of OCHS
