Dear Gallatin County FFA,

The National FFA Foundation supports local FFA chapters through programs with our corporate partners. In 2021, AGCO transitioned their support to focus on FFA chapter grants. The AGCO FFA Chapter Assistance Program continues to connect local retailers and local FFA chapters to foster career development opportunities and financial assistance to chapters.

I am pleased to inform you that your chapter was selected by your local AGCO dealer for an \$800 chapter grant.

Your chapter grant funds are included in the enclosed check. These funds are expected to be used for a chapter career development opportunity, conferences and conventions, community service event, or program that continues to foster agricultural education for your chapter. We will be emailing you in two weeks with a survey link and deadline to hear how the funds were utilized to benefit your chapter. You will be expected to answer a few short questions and provide pictures.

Your AGCO dealer may wish to present your chapter with a certificate and take a photo. Please utilize the below information to thank your local dealer. You will be receiving a press release via email for you to share with your school newspaper, website and/or local newspaper with notification that this check was sent to your chapter.

The donor of your chapter's financial assistance is:

If you have any questions about this program or process, please contact me at ewilson@ffa.org. We encourage you to invite your dealer to chapter events and to be a resource for CDEs and agricultural education. Thank you for all you do to support FFA members.

Sincerely,
