Direct work with students

- Worked with students at Campbell Co. High School – Resumes and Cover Letters.
- Tour of Perfetti-Simon Kenton
- Transportation plan/support for multiple schools
- [Soft Skills Lessons at various schools](#)

School Engagement:

- **Carroll County:** Visited Carroll County ATC
- **Kenton:** recruiting businesses to participate in the Kenton County District Career Fair in March 2023
- **Grant County:** Met to discuss services and work-based learning
- **River Cities Districts:** attended the monthly River Cities School Districts Network meeting to inform them of the WBL opportunities currently available (including upcoming group opportunities and summer experiences) and to plan for dual-enrollment opportunities with our training hubs for the 2024 school year.
- **Ft. Thomas-** Provided a presentation at Highlands High School

- Transportation support for live surgery at St. Elizabeth
- **All districts:** Dispersed (weekly to 250+ educators) a spreadsheet capturing all the current WBL opportunities available to schools and students in the region

Employer Engagement:

1. Met with Interalliance to discuss ways to best engage and provide students with IT opportunities.
2. NaviGo Team member attended CVG workforce meeting for aviation program discussion
3. Visited Stober Drives, Inc. in Maysville to learn about their pre-apprenticeship and apprenticeship opportunity model and collaborate with them and schools in the area who are participating and/or who may be interested in participating.
4. Met with Gateway to learn about their related course work and continued planning (with Jurgensen Companies) for the implementation of the MACC Tech program (Mining, Asphalt, Concrete and Construction Technology) – in-depth discussion on curriculum development.
5. Met with UPS to discuss ways in which students might participate in work-based learning.

Community Partner Engagement:

- Met with CPE to share the work of NKY GROW and the MYCareer E3 Data Platform
- The connector (along with the rest of the NaviGo team) collaborated with Brighton Center's Workforce Team to develop a model of support
- Attended Financial aid training with KHEEA along with NaviGo Team to better assist students and schools when needed
- Helped judge Tech Olympics

Showcasing the work of the NKY College & Career Connector:

- Participated in Bluegrass and Technical Community College on Panel
