RECOMMENDATION:

Instructional Time Adjustment for Elementary Schools for the 2023-2024 School Year

After consultation with the administrations at the following listed elementary schools, I am recommending approval for the adjustment in the daily instructional time at these elementary schools.

Increasing the instructional day at each of the elementary schools will allow for more instructional time to be provided to the students during the school day. However, each of the elementary schools will continue to be governed by the 2023-2024 School Year Calendar adopted by the Board of Education.

The elementary schools requesting this extension in their school days for the 2023-2024 school year are:

• Burlington Elementary	adding 10 minutes	start time will be 8:45
• Collins Elementary	adding 15 minutes	start time will be 8:40
• Erpenbeck Elementary	adding 10 minutes	start time will be 8:45
• Florence Elementary	adding 15 minutes	start time will be 8:40
