RE: March Board Agenda Item: Shortened School Day Request

The following information summarizes a student case for which parents and medical professionals have requested a modified attendance schedule for a student with disabilities. The student is identified by number in order to maintain confidentiality. There is documentation of medical necessity for the modified schedule, and the modified schedule has been recommended for approval by the Admissions and Release Committee. Full documentation is on file in the office of Director of Special Education.

22-23-17

This student has various diagnoses including Autism. An ARC meeting was held on 12/12/22 during which the recommendation for a shortened school day was approved. A physician's statement was submitted requesting this accommodation for the student's physical and mental health needs. The modified schedule will be approved until the student's IEP annual review meeting which will occur on or before 12/11/23.
