

Full-Service Community Schools Berea

Our Goal

Full-Service Community School—Berea will work with community and regional partners to provide services to all students enrolled in Berea Independent Schools and their families to work toward the result that **All Berea Students Succeed**.

Our Results

1. All children enter kindergarten ready to learn.
2. All students achieve academically.
3. All children and youth are safe, healthy and supported.

Our Strategies

- Provide high quality early learning opportunities to ensure all children enter kindergarten ready to learn.
- Engage families in their children's learning.
- Provide summer programs.
- Provide transition programs for students and their families.
- Increase access to academic supports/tutors/mentors.
- Provide learning opportunities inside and outside of school for all students.
- Engage families in college and career planning.
- Provide professional development for school staff.
