February 10, 2023

Superintendent Sarah Wasson
Members of the Powell County School Board,

I would like to request permission for an overnight trip for Powell County High school Students to attend an After Prom Party on Saturday, April 15th - Sunday, April 16th 2023.

The After Prom Party serves to offer the students of Powell County a fun, safe, drug and alcohol free place to continue the night of festivities after Prom.

According to statistics:

- More than 90% of teens believe their fellow classmates will likely drink and drive on prom night.
- Only 29% believe that driving on prom night comes with a high degree of danger.
- 36% of teens said their parents have allowed them to attend parties where alcohol was present and available.
- 14% of teens say their parents have hosted teen gatherings with alcohol.
- 54% of students drink more than 4 drinks on prom night.

99% of PCHS students who attended previous After Prom Parties stated; being able to attend kept them or a friend from a party where drugs or alcohol would be present.

This year, we would like to transport students who attend Prom and their dates, by Powell County School buses, to Malibu Jack's, located at 2520 Nicholasville Rd. Lexington Ky. Malibu Jack's offers an all-night lock in, and the first 150 students who sign up will be able to attend for free. After the quota is filled a \$35 charge will be required by each student. The Powell County High school Youth Service Center will be responsible for funding this event, through grants, donations, and YSC funds. Attached is a sample itinerary for the evening's events.

Thank you for your consideration,

Ruth Stamper
PCHS YSC Coordinator
