

***Garrard County Schools/Danville Office Equipment Staff Member of
the Month – March 2023***

We are so proud to honor Ms. Carolyn Sparks as the support staff of the month. Ms. Sparks takes care of CDR as if it was her own. She pays attention to all details and keeps the school looking amazing! As part of the school family, she is involved in the events that occur throughout the school calendar and assists in making sure the school is ready for any special events or guests. She is a team player and lends a helping hand in any way that she can, always putting students first. If she sees a student that is upset or having a rough day, Ms. Sparks takes the time to give them a hug or sit with them during her break. Mrs. Sparks takes great pride in her daily tasks and lives out the CDR vision of Every Bobcat, Every Day. We are so thankful to have Mrs. Carolyn Sparks on our team at CDR.
