GENERAL TERMS AND CONDITIONS

1. **PREVAILING TERMS AND CONDITIONS:** These Terms and Conditions, together with any appendix or other document into which these Terms and Conditions are incorporated (the "Agreement"), form the entire agreement between AVI Systems (AVI) and Customer as to the subject matter addressed herein (this "Agreement") and will become effective upon the execution of Customer. Requests for quotation, notification of acceptance or other purchasing documents provided by Customer concerning Products which are inconsistent with, different from or in addition to this Agreement are hereby rejected. In the event of a discrepancy in unit and extended pricing, the unit price will prevail.
2. **PAYMENT TERMS:** Subject to credit approval, the Customer shall pay within 30 days of invoice date for non-installation orders. Installed system orders require a minimum 50% down payment with order. Systems where installation and completion of the project will extend over a period greater than 30 days from date of order will be subject to progressive billing as well. In such cases, AVI will invoice for equipment received and assigned to the project (order). Progressive invoices will be due and payable according to normal credit terms. If at any time, Customer fails to pay invoices when due, or if for any reason AVI feels insecure in extending credit, AVI may decline to provide further goods on credit. Any account payments shall not extinguish any unpaid portion of the subject invoices, despite any notation on or accompanying payment such as "in full payment" or "in full satisfaction," or words of similar effect. CUSTOMER UNDERSTANDS THAT THIS PROVISION CONSTITUTES A WAIVER OF RIGHTS UNDER APPLICABLE LAW.
3. **FAILURE TO PAY:** If the Customer fails to pay AVI for products when due, then in addition to any other remedies available to AVI under this Agreement or allowed by law for that default, Customer will pay AVI an additional monthly financing charge equal to the lesser of: (a) one and one-half percent (1.5%); or (b) the maximum monthly interest rate allowed by law; of any amounts past due, chargeable during each month that payment remains outstanding and AVI's reasonable expenses of collection, including, but not limited to, attorneys' and experts' fees and court costs. Failure by Customer to pay any part of the account when due, or in the event that proceedings in bankruptcy, receivership, or insolvency are instituted by or against Customer or its property, AVI may, at its option, cause the entire unpaid balance to become immediately due and payable and AVI shall have the right to enter at any time without notice upon the premises where any of the materials procured by Customer from AVI are located and take possession, reclaim, and exercise any and all rights available at law or equity to AVI with respect to the materials or collection of debt. Customer hereby expressly waives any right to action that may accrue by reason of the entry for taking possession of or the selling of with respect thereto including service charges and reasonable attorneys' fees and court costs. Customer agrees to reimburse AVI for all costs and expenses, including attorneys' fees and court costs, which AVI may incur in connection with any federal or state insolvency proceeding commenced by or against Customer, including those seeking dismissal or conversion of the bankruptcy proceeding, or opposing confirmation of Customer's plan there under.
4. **ADDITIONAL SECURITY FOR PAYMENT:** Customer hereby agrees to execute such additional documents as AVI may require from time to time including a personal and/or business guarantee and UCC Financing Statements. As collateral securing Customer's obligations, Customer grants to supplier a continuing security interest in all of Customer's accounts and all goods provided by AVI to Customer (whether or not paid for by Customer).
5. **APPROVAL OF ORDERS:** All Customer purchase orders for Products under this Agreement are subject to acceptance by AVI including, if appropriate, approval by AVI Credit Department. Upon notice by AVI, Customer will furnish AVI such financial information as AVI may reasonably request for this approval. AVI may, in its sole discretion, cancel this Agreement at any time if Customer fails to meet credit requirements established by AVI.
6. **DELIVERY:** Delivery times shown on the quote are typical for the quoted equipment but may vary due to equipment availability and installation department workload. Relevant information regarding delivery and installation scheduling, if applicable, will be provided to you as soon as we receive it. AVI will not be responsible for delivery delays due to product availability or express shipping charges to expedite delivery.
7. **TRANSPORTATION COSTS:** Unless otherwise provided in this Agreement, the prices for Products indicated in this Agreement exclude all transportation costs, including, but not limited to, freight, insurance and special handling and packaging. AVI will prepay these costs and invoice them to Customer.
8. **TITLE AND RISK OF LOSS:** Title and risk of loss of or damages to any Products will pass to Customer upon AVI's delivery of them to the carrier. All claims for damage to or loss of Products must be made by Customer directly to the carrier or the insurance Customer.
9. **TAXES:** The prices for Products indicated in this Agreement are subject to taxes, including, but not limited to, sales, excise or use taxes. Customer shall pay all sales, use, ad valorem, excise and/or any other taxes imposed on either party by virtue of this Agreement. AVI will invoice Customer for any of these taxes AVI is legally obligated to collect from Customer.
10. **INSTALLATION:** If applicable, installation will be performed during our normal working hours, 7:00 a.m. – 6:00 p.m., Monday through Friday (excluding holidays) unless otherwise noted on the quote. If installations are scheduled outside of normal business hours due to client's request, those hours will be billed at overtime rates. Installation schedules must be coordinated through our Installation Department. When delivery of all required equipment is confirmed, our Installation Department will contact you to work out a firm installation schedule. If an installation must be re-scheduled at your request, it will be moved to the next suitable opening in the Installation Department schedule. If upon arrival on the scheduled installation date AVI is prohibited from working in the rooms the Customer will be responsible for all costs associated with rescheduling.
11. **CHANGES/RETURNS:** Due to the custom nature of Audio and Video equipment, customer-requested changes or changes to design once equipment is on-hand or in transit, may result in re-stocking charges to the Customer. Re-stocking charges will be assessed at the

rate of 20% of the original purchase price. Any changes to the agreed-upon scope of work defined in the quote must be authorized in writing and will result in additional charges. These charges will be accomplished via a change order that must be completed and signed by both parties before any equipment or labor is provided as a result of the change in scope of work.

12. **WARRANTY:** AVI makes no warranty regarding the equipment used in the system, and does not assume any manufacturer's warranties for such equipment. For installed systems AVI warranty covers removal, repair and replacement of equipment on a "return to factory" basis for a period of **ninety (90) days** for equipment covered under the manufacturer's warranty. After **ninety (90) days** AVI will charge the customer for labor to remove and replace any equipment covered under the manufacturer's warranty. Please note: AVI will assist the customer in obtaining cure under manufacturers' warranties for system equipment for a period of one (1) year from the date of Substantial Completion at no cost to the Owner. This will include providing invoices, warranty information and contacting the manufacture on behalf of the customer to initiate warranty repairs or replacement. AVI recommends the purchase of the optional **AVI Extended Labor Warranty and 1 Year Managed Service Agreement**. This agreement provides one (1) preventive maintenance call and extends the labor warranty for removal, repair and replacement of the equipment to one (1) year. Without acceptance of the **AVI Extended Labor Warranty and 1 Year Managed Service Agreement** any labor for removal and replacement of equipment covered under manufacturer warranty, non-warranty service calls, manufacturers repair fees, shipping charges and bench time will be billed at the prevailing labor and travel rates. AVI warrants the system or systems it designs, sells, and installs to be free of defects in our workmanship and installation materials (cables, connectors and hardware) for a period of one (1) year from the date of Substantial Completion. If during that time, the system fails to perform as specified due to defective workmanship or installation materials, AVI will correct the problem at no additional charge. AVI is not responsible for the condition or functionality of the customer's existing equipment.

13. **WAIVER:** Either party's waiver of the other's default in its obligations under any terms or conditions of this Agreement will not in any way limit or affect that party's right to enforce and compel strict compliance with that term or condition at any other time or with any other term or condition.
