History/Background:

Floyd Central High School Seniors have worked hard throughout their high school careers. We feel our seniors deserve to have some fun with their classmates prior to graduation. This trip will serve as a culminating activity. This will be an Education Day where students will gain a greater understanding of the science, engineering, and mathematics behind their favorite rides and attractions. Learning is hands-on and interactive through activities such as Eiffel Tower Egg Drop and COSI SCIENCE LIVE! Students will have the opportunity to learn about the laws of gravity through interactive Science Spots and also receive Ohio and CORE standard workbooks.
