

Kenton County School District | It's about ALL kids.

Issue Paper

DATE:

April 10, 2023

AGENDA ITEM (ACTION ITEM):

Consider/Approve The quote from Smart Sense to purchase remote monitoring for walk in cooling equipment and internal cooking temperatures.

APPLICABLE BOARD POLICY:

01.1 Legal Status of the Board

HISTORY/BACKGROUND:

Smart Sense is an online monitoring tool for walk in freezers and coolers. Each walk in will be equipped with a Smart Sense box to log temperatures electronically. The platform will allow the Student Nutrition Department to monitor changes in cooling equipment and react before foods spoil. The Smart Temperature thermometer is a tool pre programmed with the district's menus and safe minimum internal cooking temperature for each menu item. Sites will then use the thermometer to take temperature of food being served and the data will be stored electronically. One of the advantages of monitoring the internal cooking temperatures will allow the department to spot trends in over cooking and improve food quality. The Smart Sense monitoring will satisfy Hazzard Analysis Critical Control Points (HACCP) requirements.

FISCAL/BUDGETARY IMPACT:

Initial startup and installation is \$34,152.26 plus an additional \$4,250 annual monitoring fee to be paid by the Student Nutrition Department.

RECOMMENDATION:

Approval to execute the quote with Smart Sense.

CONTACT PERSON:

Elizabeth Hord, Director of Student Nutrition

Unless otherwise stated in this Quote, this Quote will expire 60 days after the date of submission by SmartSense.

This Quote is an offer by Digi SmartSense, LLC ("SmartSense") to provide the equipment and services described above to the above-identified customer ("Customer") under the terms of this Quote (including any referenced addenda), the then-current SmartSense Terms of Service (available at <https://www.smartsense.co/terms-of-service>), and any additional terms specifically agreed in writing by SmartSense and Customer. Any different, additional or inconsistent terms or conditions of Customer's documents are rejected. When signed by Customer in the space below and received by SmartSense, this Quote will become a binding order between SmartSense and the Customer (the "Order").

Expected shipment date will be as stated in the Quote (or if not specified, within three weeks after receipt by SmartSense of signed Customer acceptance).

Some installations may require additional Equipment not specified in this Quote. The cost of the additional Equipment as well as any associated implementation / installation charges will be the responsibility of the Customer as part of the overall system cost. Every effort will be made to make the Customer aware of the amount of Equipment and related cost at the time of the order. Additional taxes and fees may apply.

Customer acknowledges and agrees that prices do not include costs of shipping, forwarding, insurance or similar fees, storage after delivery, or any import or export duties, or sales, use, excise or similar taxes levied by any governmental authority, all of which expenses, shall be borne by Customer. FOB point (origin) will be in the United States.

Actual shipping charges will be calculated and charged to the Customer upon order fulfillment.

OPTIONAL: PO Number: _____. If a number is inserted in this blank, SmartSense will reference it on invoices issued under this Quote. PO terms conflicting with or in addition to those specified in this Quote will not apply.
