Background/Summary of Presented Information

OVEC HeadStart is looking to expand its programs in our district because of an increase in numbers. They are requesting to modify a storage room in between Room 219 and Room 223 on the 2nd floor of the ELC. The modification will turn part of the storage room into a student bathroom with a toilet and sink. Room 219 will become the HeadStart classroom and Room 223 will become the OVEC Office. The current HeadStart classroom (Room 104) will become an Early HeadStart Toddler classroom and the current EHS toddler classroom (Room 102) will become a 2nd Early HeadStart Infant room. No modifications are needed for rooms 104 or 102. The district will pay for the modifications with OVEC 100% reimbursing upon completion.
