Re: April 24th Board of Education Meeting Student Recognition: Emma Schildknecht

Earlier this semester, BCPS held a competition to find a student-designed banner to represent our district and Board of Education at the Kentucky School Boards Association Conference in Louisville. Out of all the banners created across the district, Emma Schildknecht from Crossroads Elementary, created the winning design. Her banner was on display throughout the state-wide conference and did a great job of representing BCPS!

Congratulations, Emma!
