Goodwill shall notify JCPS within 24 hours in the event of any data breach or disclosure of data to any person or entity other than the parties listed in this agreement.
 - (e) Collect, store, and maintain data in a manner that does not permit the identification of an individual student by anyone other than employees, contractors, or agents of Goodwill necessary for the fulfillment of this Agreement and having a legitimate interest related to the purposes of this Agreement in knowing such personal identification, and not disclose any such data in a manner that would permit the identification of an individual student in any form, including, but not limited to, published results of studies.
- j. Limit data requested from JCPS to the specific elements listed in Attachment A. If the data request is associated with an approved JCPS IRB application, then the data in Attachment A should match the JCPS IRB final approval letter data elements listed.
 - k. Adhere to the reporting timeframes (e.g., quarters, semesters, years) service provider requested in Attachment A.
 - l. Adhere to the timelines in Attachment A for when a service provider will provide JCPS with Goodwill [lists of students, signed consent forms, etc]. Notify JCPS of unexpected changes in timelines as soon as possible and accept that changes may alter JCPS' capacity to provide requested data.
 - m. If relevant, obtain signed non-disclosures (Attachment B) for each individual from Goodwill responsible for evaluation and analysis activities who must access identifiable data referenced in Attachment A.
 - n. Use reports produced for this project only for the purposes described above. The data and reporting shall not be used for personal or institutional gain or profit.
 - o. To direct all communication and decisions regarding the evaluation, data collection, and analysis to the Accountability, Research, and Systems Improvement office.

- p. Acknowledges that JCPS retains the right to audit Goodwill's compliance with this agreement.
