**Recommendation/Motion:** Approve the Schematic Design Documents for the addition of three preschool classrooms at Harrison Elementary School.

**Background/Rationale:** In the spring of 2022, the Board designated funding to support the FCPS Preschool program based upon a five-year plan. A priority of that five-year plan includes adding preschool classrooms at Harrison Elementary School. The Preschool program staff has recommended that three preschool classrooms be constructed to serve 45 children in a full-day program. Should additional capacity be needed at a later time, one of these full-day classrooms can be converted into a dual-session (half day) classroom serving 30 children; thus allowing for a total of 60 children to be served in the Harrison Elementary School Preschool program. The current schedule is to bid in August 2023 with completion in February 2025.

A BG-1 Project Application for the construction, identifying the extent and cost of the work, was approved by the Board at its February 27, 2023 meeting and has been filed with the Kentucky Department of Education. At this time, the Board is required by 702 KAR 4: 160 to indicate acceptance of the schematic design documents represented in the plans prepared by the design consultants Ross Tarrant Architects. Based on the review of these documents by FCPS staff, the Office of Facility Design & Construction recommends approval of these plans. Upon the Board's approval, these documents will be submitted to the KDE District Facilities Branch.
